Frequently asked questions about the Apotex copay savings program*

Question:

How do I get a copay savings card?

This flyer will function as your copay savings card. Simply download or print the flyer and present it to your pharmacist. Visit www.tofacitinibcopay.com or call toll free at 833-393-5682 if you need assistance or more information.

Question:

How do I know if I'm eligible?

Most commercially insured patients are eligible. You are not eligible to participate in the program if you are uninsured or your insurance does not cover tofacitinib extended-release tablets, or if you are covered under Medicaid, Medicare, TRICARE, the Federal Employee Health Benefit Program, or another federal or state program. Other eligibility restrictions apply. See the terms and conditions below for details.

Question:

What are the program's limitations?

The maximum benefit per fill is \$300*. The offer is only valid in the United States and Puerto Rico, and can't be combined with any other offers, coupons, rebates, or free trials for this medication. Other limitations apply. See the terms and conditions below for details.

Terms and conditions

* By participating in the Apotex copay savings program for tofacitinib extended-release tablets manufactured and distributed by Apotex, you acknowledge that you meet the eligibility criteria and will comply with the terms and conditions described below:

- You may not use the Apotex copay savings program if you have prescription drug coverage under Medicaid, Medicare, TRICARE, the Federal Employee Health Benefit Program, or other federal or state healthcare programs including any state prescription drug assistance programs and the Government Health Insurance Plan available in Puerto Rico (formerly known as "La Reforma de Salud").
- You may not use the Apotex copay savings program if you are uninsured or have no prescription drug coverage for tofacitinib extended-release tablets.
- The Apotex copay savings program is not valid for prescriptions that are eligible to be reimbursed by private insurance plans or other health or pharmacy benefit programs, which reimburse you for the entire cost of your prescription drugs (i.e. you have no cost-sharing obligation).
- Offer not available for residents of California or Massachusetts or where prohibited by law.
- This offer is good only in the U.S. and Puerto Rico.
- You must deduct the savings received under this program from any reimbursement request submitted to your insurance plan, either directly by you or on your behalf.
- If eligible, commercially insured patients may pay as little as \$0* out-of-pocket cost with the tofacitinib copay savings card toward each fill, and the program will pay up to \$300 per 30-day supply of the remaining cost after primary insurance coverage, up to \$3,600 per calendar year.
- The Apotex copay savings program cannot be combined with any other rebate/coupon, free trial, or similar offer for the specified prescription.
- The Apotex copay savings program will be accepted only at participating pharmacies.
- The Apotex copay savings program is not health insurance.
- Apotex reserves the right, at its sole discretion, to amend, to rescind, revoke, or terminate the offer at any time.
- There are no membership fees for this savings program.
- If you receive co-payment assistance under the Apotex copay savings program, your personal information will be used to process payment for your prescription under such program through an Apotex vendor.
